CALL FOR APPLICATION for enrollment in master's studies

Study Programs: **Graphic Design** and **Fashion Design**

The **Faculty of Design and Multimedia** at Donja Gorica University announces a call for application for enrollment in master's studies, study programs **Graphic Design** and **Fashion Design**, with a duration of two years, totaling **120 ECTS**. A student earns the title of Master after achieving an additional 120 ECTS credits, on top of previously earned 180 ECTS credits over two years.

By enrolling in postgraduate (master's) studies, students choose a program/module (Graphic Design or Fashion Design). Upon completing postgraduate studies at the Faculty of Design and Multimedia, students earn the academic title of master (after completing the fourth semester of postgraduate studies), **qualification level 7.2 in the field of DESIGN AND MULTIMEDIA**.

Postgraduate studies in the field of design can be enrolled by students who have completed undergraduate studies, both three-year (180 ECTS) and four-year (240 ECTS) from various fields. If a student has completed a basic study program lasting four years, the recognition of a certain number of ECTS is allowed in accordance with the equivalence rules of the higher education institution.

After completing master's academic studies in the field of design, the student has the opportunity to proceed to appropriate doctoral studies in various fields of design: graphic, fashion, and multimedia, depending on the entry criteria for such programs and based on the profile of basic bachelor studies.

Candidates who have completed basic studies (Bachelor's degree, **180 ECTS**) are **eligible to enroll** in master's studies. Documents required for enrollment:

- **certificate of previously completed studies**
- **copy of ID card**
- **two photographs**

The call for applications lasts 30 days from the date of announcement. To schedule document submission, please send an inquiry to the email: vladimir.dimovski@udg.edu.me
